

- Track 1** - Expensive Coordinates - Brad and Alex look for MAMAI Soliton in a desert canyon on Drupa 5, an alien planet. What they see is not what they find, and what they find is not what it seems.
- Track 2** - Message from MAMAI - Is the beacon MAMAI's? Whose alien artefacts did they help themselves to? And what about the shapes?
- Track 3** - The Mystery Goggles - Alex finds mysterious goggles in the galley. What do they do? Kimberly, a friendly operating system guide offers to help.
- Track 4** - Entangled in Tethys - Brad and Alex pay Aleph One a visit on a moon of Saturn. They find only secrets and madness.
- Track 5** - The Siren of Drupa 5 - Kimberly makes contact again, this time without the goggles. Alex is not himself, and she bends him to her will.
- Track 6** - First Visit in 4D-verse - Kimberly takes Alex on a heady tour under the fractal fortress in 4D-verse.
- Track 7** - The Real Me in the Mirror - A bad hangover for Alex and a fall-out with his best friend. Can it get any worse?
- Track 8** - Room within a Room - Solefuge sheds some light on the problem with Alex. They need to act before Kimberly strikes again.
- Track 9** - Coming Clean with GAIA - Too late. It's time to lay all cards on the table and join forces.
- Track 10** - The Fractal Fortress - Brad enters 4D-verse to rescue Alex. GAIA's primitive transform can only render Brad in flat mode - a state with many limitations, but are there any advantages?
- Track 11** - Diamond Moon - Betrayed, Alex finally comes to terms with his situation in 4D-verse.
- Track 12** - The State of Pan-dimensional Affairs - Brad and Alex learn a lot about their place in the universe.
- Track 13** - A Small Matter of Symmetry - Brad and Alex are shocked to find their old enemy in 4D-verse. Even if they survive the fight, how will they get back to 3D-verse?
- Track 14** - The Map - Brad falls victim to an A.I. error. D5 leaves them with a special map.
