

- Track 1** - Incoming - Sandy Larkin and Dieter Rothman are on the hunt for a new alien life form. They finally make contact, but their well-laid plans quickly spiral out of control.
- Track 2** - Shanghai Spaceport - The Full Advantage is docked above Earth in geostationary orbit. Brad and Alex take the Lander down to Shanghai Spaceport where Zara is waiting impatiently.
- Track 3** - Ming Mall - Brad, Alex and Zara meet with the cybernetic representative of a wealthy trading family. Rogue Adbots make life difficult for Alex while Brad is dealt some shocking news.
- Track 4** - Project Moby Dick - Brad and Zara discuss her possible role in the rescue attempt.
- Track 5** - Preparations - The group holds a pre-mission discussion in a hangar at Shanghai Spaceport. There are many unknowns and much to consider.
- Track 6** - The Subway - Zara experiences her first journey on the universal subway network.
- Track 7** - Celius - Brad and Alex take the lander down to the inhospitable surface of Planet X to recover the wreck of Celius. They desperately need a clue as to Sandy's whereabouts.
- Track 8** - The Pointer - It's all hands on deck as they scrutinize the wreckage and try to recover the scant information left by Celius in his final moments before crashing onto Planet X.
- Track 9** - In the Teeth - They only have a few minutes' warning before they are discovered by the alien lurking on the moon of Planet X.
- Track 10** - Moon Fall - Their situation is dire. Brad decides that offense is their best defence. They sneak down to the surface and search for Commander Larkin's ship.
- Track 11** - Echolocator - Brad and Alex look for Sandy in his rotting ship. Can they really expect him to be alive?
- Track 12** - The Full Advantage - Brad, Alex and Sandy have hatched a plan to get off the moon. To do so, they have no choice but to do battle with 'Moby Dick's worst nightmare'.
- Track 13** - Heading Home - Questions, questions...
